## POSTAL SERVICE

### Privacy Act of 1974, System of Records

**AGENCY:** Postal Service.

**ACTION:** Notice of new system of records.

**SUMMARY:** The purpose of this document is to publish notice of a new Privacy Act system of records, USPS 040.050, Customer Programs-Customer Electronic Document Preparation and Delivery Service Records. The new system contains information provided by customers who use the Postal Service's electronic-to-paper document printing and mailing service. Customers using this service electronically send a master document and mailing list to a postal control center, which electronically routes the documents to print sites for printing and mailing for Postal Service delivery.

**DATES:** Any interested party may submit written comments on the proposed new system of records. This proposal will become effective without further notice on June 30, 1998, unless comments received on or before that date result in a contrary determination.

**ADDRESSES:** Written comments on this proposal should be mailed or delivered to: Payroll Accounting/Records, United States Postal Service, 475 L'Enfant Plaza SW Rm 8831, Washington, DC 20260-5243.

Copies of all written comments will be available at the above address for public inspection and photocopying between 8 a.m. and 4:45 p.m., Monday through Friday.

**FOR FURTHER INFORMATION CONTACT:** Betty Sheriff, (202) 268-2608.

**SUPPLEMENTARY INFORMATION:** The proposed system of records will collect information related to a new electronic-to-paper mailing and delivery service offered by the Postal Service. The service will facilitate increased use of the mail while providing a means for small-volume customers to have quality mailings promptly prepared and delivered.

Customers who use the service will create documents on their desktop computers and, using a postal icon on their computer screen, transmit that document and an associated address file through the Internet to a network
